

SAU #39

2011-2013 Goals

Our Mission

“We will engage, challenge and support all learners”

GOAL #1

Review and revise effective and consistent teacher and administrator evaluation systems

Objectives and strategies:

1. To work with the Superintendent to:
 - A. Report status of current staff and administrator evaluation
 - B. Develop a process for effective evaluation where necessary
 - C. Review and revise evaluation of Superintendent of Schools
 - D. Discuss any and all associated financial implications

GOAL #2

Promote effective communication with SAU #39 staff as well as within the greater communities of Amherst, Mont Vernon and the Souhegan High School communities

Objectives and strategies:

1. Develop a system of feedback to community members who attend school board meetings
2. Publish school board agendas in a timely manner
3. Partner with local news media for proper and timely reporting of school events
4. Share individual board updates with all board members
5. Investigate the possibility of an electronic newsletter for each of the districts
6. Implement an SAU #39 events calendar
7. Implement an SAU #39 “Community Connections” group to increase public awareness of best practices within the schools
8. Begin monthly superintendent reports to the communities of Amherst and Mont Vernon

GOAL #3

Review, revise and expand strong transitions between schools in SAU #39

Objectives and strategies:

1. Provide ongoing transition reporting to Board and Community members
2. Build networks between all schools to enhance understanding of curriculum instructions, assessment, grading and reporting and individual school procedures

GOAL #4

Develop a seamlessly integrated Pre-K-12 curriculum

Objectives and strategies:

1. Implement Common Core standards in all areas at each grade level
2. Investigate academic learner expectations at all grade levels
3. Continue to provide collaborative practice and facilitative leadership in SAU #39
