

FUNDING GRANTS AND APPLICATIONS

The school board is to be kept informed of all possible sources of state, federal, and other funds for the support of the schools and/or for the enhancement of educational opportunities. The superintendent is to apprise the board of its eligibility for general or program funds and to make recommendations for board action.

The warrant for the annual meeting of the school district shall include an article which reads:

"To see if the district will vote to accept the provisions of RSA 198:20-b which shall authorize the school board, until specific rescission of such authority, to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or any private source which becomes available during the fiscal year."

Note: Above article included on March 18, 1994 school district warrant and accepted.

ADOPTION: March 1994 Annual District Meeting
