

PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL

Constructive criticism of the schools is welcome through whatever medium when it is motivated by a sincere desire to improve the quality of the education program and to equip the schools of this district to do their task more effectively.

The Board placed trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or negative criticism and complaints.

Whenever a complaint is made directly to the Board as a whole or to a Board member as an individual, it shall be referred to the school administration for study and possible solutions. The individual employee involved shall be advised of the nature of the complaint and shall be given an opportunity for explanation, comment, and presentation of the facts.

The Superintendent shall resolve the matter to report to the Board.
